1. This is a mail bid sale, conducted by PONTERIO & ASSOCIATES, INC. Subject to our consent, liberty for bidding by sellers and/or consignors is hereby reserved.
2. A 15% buyer's charge will be added to the price of each lot. This charge will be added to all invoices.
3. Terms of this sale are strictly cash with payment due immediately upon receipt of invoice. Payment by check must be payable in U.S. currency only and drawn on a U.S. bank. No credit card purchases will be accepted. Title to all lots remains with consignor until paid in full.
4. Minors are expressly forbidden to bid in this sale.
5. Bidders not known to us must furnish satisfactory credit references, sufficiently in advance of the sale to allow for checking, or a deposit equal to 25% of the bids submitted. Deposits submitted will be applied to purchases and any unused portion of such deposit will be promptly refunded.
6. All bids must be per lot as numbered in this catalog. No lots will be broken.
7. We reserve the right to withdraw any lot prior to the sale.
8. All items in this catalog are guaranteed to be genuine unless specifically stated otherwise in the lot description. Claims to the contrary must be made in writing within three days after receipt of the lot. Any returned lot must be intact and in its original unopened holder. No lot may be returned without prior written consent. In no event may any lot be returned after thirty (30) days from the date of sale. **LATE REMITTANCE FOR PURCHASES CONSTITUTES JUST CAUSE TO ABROGATE ALL RETURN PRIVILEGES FOR ANY REASON.**
9. Lots that have been examined prior to the sale may not be returned for any reason other than authenticity.
10. Grading is a subjective description in the opinion of the cataloger, as to the state of preservation of a particular coin or lot. The term "Proof" or "Specimen" is used to describe a method of manufacture, and not a grade or condition. Such terms are the opinion of the cataloger and shall be deemed to be part of the description and not an attribution. No warranty, whether expressed or implied, is made with respect to such adjectival descriptions, which can and do vary among experts.
11. Please note: Auction sales are not approval sales. You must assume the responsibility for paying for all material that is awarded to you.
12. Bids for all lots must be submitted in even dollar amounts, or they will be reduced to the next even dollar amount. Successful bidders will be awarded the lot at a nominal advance over the second highest bid. When identical bids are received, for a lot, preference is given to the first bid received. We reserve the right to refuse any bid, that we believe has not been made in good faith.
13. We can not be responsible for errors in bidding. Please make certain that you bid on the correct lot and that your bid is the maximum that you are willing to pay.
14. An estimate is provided for each lot. This estimate represents, in the opinion of the cataloger, the current market value of the lot. Lots may, of course, sell for above or below this estimate.
15. All photographs in this catalog are of the actual items being sold.
16. Postage, insurance and sales tax, if required by law to be collected, will be added to the invoice for any lot(s) invoiced to successful bidders. All lots delivered in the state of California are subject to applicable sales tax. Individuals purchasing lots for resale must submit an exemption certificate, signed by the purchaser or his agent and recognized by the state of California, with their current resale certificate number or be subject to the sales tax.
17. We reserve the right to require payment in full before delivering any lot to a successful bidder. It is the buyer's responsibility and obligation to have the lots fully insured while in his/her possession. Risk of loss is on the buyer. All lots sent to foreign countries, including Canada and Mexico, will be billed at an additional 1/2 of 1% for insurance. The minimum insurance fee is \$5.00. Please send shipping instructions. Normally all lots will be sent via registered mail.
18. In the event a bidder fails to make remittance promptly, we reserve the right to resell the merchandise and bidder agrees to pay for the reasonable cost of such a sale and also to pay any difference between the resale price and the previously successful bid.
19. If the invoice for this sale is not paid for in full, when due, the unpaid balance will bear interest at the highest rate permitted by law until it is paid in full. If the matter is referred to an attorney for collection, bidder agrees to pay all attorney fees, court costs and other costs incurred by Ponterio & Associates, Inc. The courts of San Diego County, California shall have exclusive jurisdiction and venue over any suit initiated by Ponterio & Associates, Inc., to collect past due invoiced and the service of process by certified/registered mail, return receipt requested, shall be sufficient to confer "in personam" jurisdiction over bidder.
20. We reserve the right to postpone this sale for a reasonable period of time, as the result of any act of war, natural calamity or significant relevant event., which, in the judgement makes it inadvisable to hold the sale as scheduled.
21. Our ultimate liability for any item is the price paid.
22. By bidding in this sale, bidder personally guarantees payment; if a corporation is the bidder, the officers and/or principals of the corporation agree to personally guarantee payment.
23. All bid sheets submitted by mail bidders must be signed. Company bids must be submitted with the signature of a duly authorized agent of such company.
24. Bidding in this sale constitutes acceptance by the bidder of all the forementioned terms and conditions of sale.
25. Please remember that the mail is sometimes very slow. Please mail your bid sheet early to be sure we receive your bids prior to the close of the sale.
26. We offer the service of limiting the total purchases of bidders. This service is available only to the bidders who wish to limit purchases of \$500 or more. To limit purchases, simply fill in the proper areas on the mail bid sheet. Bids may then be submitted for amounts up to three times the amount of your limit total figure. You may also enter your bids in an order of your preference. We will attempt to buy for you up to your limit in the order you designate. You may also select to bid on two similar lots with instructions to buy only one of them. For instance, if lot 102 and 103 were similar and you wanted only one of them, bid on both with instruction to buy only one. We will then attempt to buy for you one of the two for the lowest price.

No hay garantía, sea expresada o implicada con respecto a dichas descripciones adjetivales que puedan variar o que de hecho varían entre los expertos.
11. Nota: Esta subasta no es condicionada. El postor será responsable por pago para todas las piezas adjudicadas.
12. Las ofertas para todos los lotes deberán ser en dólares americanos y en cantidades exactas si no serán reducidas al siguiente dólar exacto. Si el subastador recibe ofertas idénticas para un lote, la primera oferta recibida tendrá prioridad. Nos reservamos el derecho de rechazar cualquier ofertas, que a nuestra discreción pensamos que no se han hecho de buena fé.
13. El subastador no será responsable por errores en las ofertas. Favor de asegurar de que su oferta es por el lote correcto y que su oferta es lo máximo que Ud. está dispuesto a pagar.
14. Se ha proporcionado una estimación para cada lote. Esta estimación representa en nuestra opinión, el valor actual del lote, los lotes por supuesto, se podrán vender en más o en menos de esta estimación.
15. Todas las fotografías en este catálogo corresponden a las piezas subastadas.
16. Los gastos de envío, el seguro y los impuestos estatales, serán cobrados si se requiere por ley y se agregarán a la factura del comprador por cada lote adjudicado. Los individuos que compran lotes para revender tendrán que someter un certificado de exención del estado de California, firmado por el comprador o su agente y reconocido por el estado de California, con el número actual de su certificado para la reventa o bien se le cobrará al comprador el impuesto sobre la venta.
17. Nos reservamos el derecho de exigir el pago total al comprador antes de entregarle cualquier lote. Es la responsabilidad y obligación del comprador de tener asegurados los lotes que estén en su posesión, ya que será responsable de la pérdida. En los lotes enviados a países extranjeros, incluyendo Canadá y México, se le cobrará al comprador un gasto adicional de la mitad del 1% por gastos de seguro, lo mínimo será \$5.00 U.S. Favor de mandarnos instrucciones de envío. Normalmente todos los lotes se enviarán por correo registrado.
18. Si el comprador no hace el pago a tiempo, nos reservamos el derecho de vender la pieza de nuevo, y el comprador acepta pagar el gasto razonable de esa venta y también pagará cualquier diferencia entre el precio de reventa y la oferta previa.
19. Si no se paga la factura de la subasta en total, cuando es debido, el saldo no pagado tendrá cargos de interés al porcentaje más alto permitido por ley hasta que esté pagado en su totalidad. Si el caso se remite a un abogado para cobrar, el postor acepta pagar todos los gastos de abogado, los gastos de los tribunales y otros gastos incurridos por Ponterio & Associates, Inc. Los tribunales del condado de San Diego, California tendrán jurisdicción exclusiva sobre cualquiera de las acciones iniciadas por Ponterio & Associates, Inc. para cobrar facturas no pagadas al vencimiento. La citación del juez por correo certificado u registrado y la respuesta de la solicitud escrita, serán suficientes para conferir jurisdicción "en persona" sobre el postor.
20. Nos reservamos el derecho de posponer esta venta, por un período razonable, por el resultado de un acto de guerra, una desgracia natural o un acontecimiento importante, por lo cual, en la opinión del subastador, ejercido razonablemente, se hace inconveniente realizar la subasta como estaba prevista.
21. Nuestra responsabilidad máxima por cualquier pieza es el precio pagado por ella.
22. Al pujar en esta subasta, el postor personalmente garantiza el pago; si el postor es una corporación, los empleados y/o los directivos, de la corporación aceptan garantizar el pago personalmente.
23. Todas las hojas de ofertas sometidas por correspondencia deberán ser firmadas. Las ofertas de una compañía deberán ser sometidas y firmadas por un agente autorizado de esa compañía.
24. El solo hecho de pujar en la subasta presupone el completo acuerdo con todos los términos descritos y las condiciones de la venta.
25. El correo es a veces muy lento. Envíe su hoja de ofertas con tiempo para asegurar la recepción de sus ofertas antes del día de la subasta.
26. El postor puede fijar un límite total de su compra. Se le ofrece esa opción solamente al postor que limite el máximo de su compra a \$500 U.S. o más. Para fijar un límite, simplemente anote en el espacio correspondiente en su hoja de ofertas. Las ofertas entonces podrán ser sometidas por cantidades hasta un máximo de tres veces más la cantidad de su límite en total. Ud. también puede someter sus ofertas en un orden de preferencia. Intentaremos de comprarle hasta su límite y en el orden por cual nos designe. Ud. también puede pujar en dos lotes similares con la instrucción de comprar solamente uno de los dos lotes. Por ejemplo, si los lotes 102 y 103 son similares y Ud. solamente quiere uno de los dos, haga su oferta en los dos lotes con la instrucción para comprar solamente uno. Entonces nosotros intentaremos de conseguirle uno por el precio más bajo de los dos lotes.

INSTRUCTIONS TO NEW MAIL BIDDERS

Bidding by mail permits you to participate in an auction as though you were attending it in person. The procedure is really quite simple. You tell us what you want, and the maximum amount you are willing to pay. We then, as your personal agent, try to buy the items listed for you at the lowest possible price.

The enclosed mail bid form has two sides for you to fill in. The front side provides all the information we will need to register you as a bidder, execute your bids for you and deliver your lots to you if you are a successful bidder. Please answer all the questions that may apply to you. If you have any special mailing instructions or and/or other instructions, please note them in the "special instructions" area of your bidsheet. **DON'T FORGET TO SIGN YOUR BIDSHEET.**

LOT	BID
#9	\$250
#45	\$300
#49	\$700
#50	\$1000

On the back side are pairs of columns where you may list your bids. After carefully reading the lot description, write down the lot number and the maximum amount you are willing to pay for that lot. Don't forget that a 15% buyer's fee will be added to your actual purchase price if you are the lucky bidder. Continue to list lot numbers and bids for each of the lots you are interested in buying.

When we receive your bidsheet, we will record your bids at the amount you have authorized us to bid for you, and we will, in addition, note any lots where an increase is authorized if absolutely needed to win the lot. For example, if the sample bidsheet shown at the right were yours, we would enter your bid on lot #9 as \$250. If yours was the highest bid received, you would be the purchaser at \$250 (plus 15%), and applicable taxes and shipping charges. If the second highest bid received on the lot was substantially less, your bid would be reduced to a "normal" increment above the second-highest bid, just as it would be if you were present at the sale yourself to execute your own bids. If you have authorized a percentage increase on the front side of your bidsheet and the bidding by others has exceeded your basic bid, we will then, as your personal agent, increase your bid to the minimum amount necessary to obtain the lot for you. The authorized increase will never be used except when your basic bid is exceeded.

Before you mail your bidsheet, do be sure to check it over to make certain you have bid on the correct lot(s) and that your bids are the ones you are both willing and able to pay for. Enjoy the catalog, place bids on everything you would like to buy. If time is running out and you feel your bidsheet may arrive too late to be included, you may call our office between the hours of 9:00 a.m. and 5:00 p.m. Monday through Friday, giving us the lot numbers and amount you will pay for each lot, over the telephone. Please make sure you immediately send in your bidsheet for confirmation. Also, you may FAX your bidsheet to us. As your personal agents we wish you every success.

VIEWING OF LOTS

Lots will be available for viewing by prospective bidders at our office each day, Monday through Friday, by **APPOINTMENT ONLY**, between the hours of 9:00 a.m. and 5:00 p.m.
July 23, 2000 through August 13, 2001 only.

“What Else Do You Collect?”

Have you been asked this question in a coin shop or at a show after inquiring about something in your main collecting area and hear that (1) the dealer doesn't have any at present, (2) the dealer has never had any of these, or (3) the dealer has no idea what you're talking about? If so, welcome to the club. This is a common occurrence for collectors of specialized areas but I wasn't really aware of this until about fifteen years ago when I began focusing on certain narrow fields, notably Byzantine bronze coins by denomination and varieties of banknotes from Iceland. I, like many of you, have more than a few areas of collecting interest - these change from time to time in order of priority and occasionally I will add a new one and relegate one to a lower priority, place it in “storage” or use it as trade-in material for my newest addiction. Have you been there and done that as well?

I am interested in the coins, tokens, medals and banknotes of Iceland mainly because my father's side of the family came from there about 120 years ago; the coins do not pose any real challenges unless you are seeking strictly gem BU material or proofs from before the mid-1960's and I'm not, but there are a fair number of tokens, medals and banknotes which are offered only rarely. This barrier to adding new material to a collection is extremely frustrating to a “hunter/gatherer”, one of these at present is the 1984 10 Kronur coin struck on flans for a 1 Rupee of India by mistake; if you have one or two of these lying around, please give me a call. The inability of assuaging one's addiction in a given area of collecting forces one to explore other areas which may have greener pastures for grazing.

In addition to “goodies” of Iceland, what else do I “collect”? I started with the general circulating issues of U.S. coins in the 1950's, gradually getting away from date/mintmark collecting into U.S. type collecting. I still have my old 2-volume Whitman album which presently has one empty spot as well as more than a few extremely worn or damaged coins in others. I occasionally upgrade a less expensive type coin but not often as this makes my lower condition material look worse than before in contrast!

For years I have collected coins and notes from places I have visited or found interesting such as Andorra, Danzig, Fiume, Memel, Monaco, Saar, etc.; over the years these have provided many interesting exhibits and presentations, but all of those noted here have “moved on” to new homes due to changing priorities. I have numerous items enclosed in scrapbooks of various trips my wife and I have taken, such as an AE of Pontius Pilate and a Crusader silver Denar portraying the dome of the Holy Sepulchre in our “memory book” of our pilgrimage to the Holy Land in 1993 and a Canadian 1996 “Klondike” 100 Dollars in our Canada/Alaska tour and cruise book (on the page with me panning for gold in Dawson city - some gold flakes are there as well).

I also collect coins of people I find historically interesting such as Julius Caesar, Anthony & Cleopatra, Genghis Khan, Mehmet II, William the Conqueror, Ferdinand & Isabella, Philip of Spain & Mary Stuart, etc.; I'm often asked why I don't have something of Charlamagne, Richard the Lionheart etc., it's not that these people are not of interest, it's a matter of personal priorities. For many years I used coins like these as teaching aides in schools (I still take some to club meetings and shows); I was a substitute teacher with the San Diego City Schools while completing my MA (medieval history - what else?) and often took coins, notes and/or historical materials into the classroom. Frequently, especially in the Junior High classes, these helped make a geography or history lesson more than just a lecture. Often in an 8th grade U.S. History class, covering the Civil War period I passed around a well-worn 1850's large Cent or an 1857 “flying eagle” Cent for the students to see and feel, making history a bit more real, especially when I said that the coins they were now holding could have been held by Jefferson Davis, Lincoln, even Generals Grant or Lee. You could almost hear the gears whirring in the heads of a few students! Needless to say, I do not collect MS-whatever material; I like coins which I can take out of their flips or albums from time to time, maul them a bit, let others hold and enjoy them and not have to worry about their possibly being dropped on a hard floor and suffering any major damage.

For many years I have been quite interested in the "Hundred Days" reign of Napoleon I in 1815 and recently decided to obtain one of each coin type issued during that period; within a fairly short time I acquired the 1 Decime of Strasbourg as well as the 2, 5 and 20 Francs issues of Paris. About a month after getting the last of these, I saw a listing for an 1815 20 Francs of Louis XVIII noted as "Hundred Days" issue from London. I had not been aware of this possibility for my "addiction" but in checking found that indeed they were struck in London during the brief time that Louis was in exile; it is now part of my "Hundred Days" stuff. There is a beautiful 1815 Napoleon 5 Francs pattern which I probably won't seek too diligently (it's expensive and offered very rarely) and there were some French medals produced during this time, most are not too pricey and appear fairly often. I may get one or two but, again, it's a matter of priorities.

Do I collect paper money other than issues of Iceland? I won't say that I actively "collect" other paper money, but there are various notes I have "rat-holed" over the years, these being mainly inexpensive items from places I have visited, odd denominations (I know several of you who have this as your main addiction - best wishes!) or which have interesting designs or otherwise have struck my fancy. I view the accumulation of notes, as well as many of the coins I have acquired and retained over the years, much as I do my gambling at the 50 Cent Blackjack tables - reasonably priced entertainment (not a frequent occurrence; my last visit was about 12 years ago!).

Are there collectors who do not have "what else" collections? I am sure there are quite a few especially among those who have established a broad area for collecting such as world crowns from year (whatever) onwards, world coins or banknotes by type (lots of maneuvering room here!), all banknotes by varieties from Russia, Argentina or Chile, etc., British type coins from 400 AD onwards; these areas are large enough to probably keep one occupied for a lifetime as well as to keep vast sums of money going out the door. Obviously these are extreme possibilities but who knows? The majority of collectors I know have multiple interests, usually with a priority "pecking order".

What prompts a collector to consider "other" collections? Seeing something new and different and deciding it would be nice to have, completing a collecting area (completing a type/date set of coin issues of Saar, or easier yet, Prince Edward Island), frustration due to not being able to obtain new material for "the collection" (more than a few acquaintances have entered new areas because of this) and just deciding to explore new areas; there are as many reasons to explore new collecting areas as there are collectors. The two main goals of collectors are to obtain, appreciate and enjoy their collection(s) and to learn something about the material and share with others.

Have I outlined anything really earthshaking in this? I really hope not; I am sure that the majority of you are already enjoying the collecting of numerous different subjects and hopefully enjoying all of them, or "thinning out" those that are no longer so interesting. Am I having fun with "what else" collections? As we say in the north country, you betcha!

Best wishes and happy collecting!

Stewart Westdal
